Cemetery History

Fairview Cemetery is located on Macleod Road (Hwy #785), approximately 1 km east of Hwy #6. The cemetery was divided into sections for Anglican, Roman Catholic and Public use. Each section was managed individually, however, today the entire cemetery is administered by the Town of Pincher Creek.

Historic Pioneer Cemetery is located at Veterans Street & Hwy #6. It was a non-denominational community cemetery with the first recorded burial in 1890. The last interment in Pioneer Cemetery was in 1938. This cemetery is no longer active.

Burial Options

Fairview Cemetery offers traditional burial plots which may accommodate one full burial and a maximum of 4 cremation burials.

The columbarium is a granite above-ground structure with individual niches, designed to be a respectful and attractive resting place for cremated remains. Each niche can accommodate 2 urns (depending on urn size) and has a granite tablet which can be engraved.
